How to access the NEO LMS

NEO LMS · https://usa.edu.ph/faqs/neo-lms-concerns/

1. 1. How to access the NEO LMS portal?

The NEO LMS portal can be accessed via Single Sign-On (SSO) method. For further information, kindly refer to the NEO LMS Access Guide: https://usa.neolms.com/page/show/614498

1. 2. What should I do if an error “User not found” or “Your account has been archived” appears when I try to access the NEO LMS.
    - Report the issues to the Educational Technology and e-Learning Support Services (EdTecheSS) Office by filling out the EdTech Help Desk Form.

1. Who adds a student to the class in NEO LMS?
    - The teacher can add the student to their class in NEO LMS via *People Picker* or by providing the *Access Code* to the students.
